

Remarks

A Notice of Allowance dated April 11, 2007 and a Supplemental Notice of Allowability dated May 10, 2007 have been received, but the issue fee has not, as yet, been paid. Claims 3, 6, 7, 21-28, and 37-41 have been allowed in the subject application. By this Amendment, the applicants have amended claim 3 to replace the reference to claim 38 with the relevant text of claim 38, and to insert the phrase "of any of the foregoing" immediately after "pharmaceutically acceptable salt".

The applicants respectfully submit that this amendment will require no further search or examination on the part of the Examiner and does not constitute new matter. The amendment merely lends further clarity and consistency to the claims, and requires no substantial amount of additional work on the part of the Patent Office. The applicants respectfully request that the Examiner enter and make of record in the subject application the amendment presented herein.

The Commissioner is hereby authorized to charge any fees under 37 C.F.R. §§1.16 or 1.17 as required by this paper to Deposit Account No. 19-0065.

Respectfully submitted,
